April 22nd, 2020 - The increasingly mon conjuncture of contemporary art and logistics Toscano and Kinkle 2015 might be cause for incredulity in some quarters—not least those of logistics specialists or art historians. However, crucial to the working of contemporary economic life—so much so that theorists have taken to speak of a shift to supply chain capitalism Tsing 2009—the visible manifestations. Critical Realism In Contemporary Art Around Alan Sekula S

juliane rebentisch realism today art politics and the
April 7th, 2020 - and yet a certain urgency still pertains to the question of contemporary realism—particularly in the realm of the visual arts where developments toward the dissolution of the boundaries of art and between the arts have been most radical 3—indicating that the question of art’s relation to social reality is fundamental it concerns even our contemporary understanding of art at its very

Social realism
May 4th, 2020 - Social realism is the term used for work produced by painters printmakers photographers writers and filmmakers that aims to draw attention to the real political conditions of the working class as a means to critique the power structures behind these conditions. While the movement’s characteristics vary from nation to nation it
April 17th, 2020 - What is the place of Critical Realism today given the fact that both realism and mitment in art have bee highly problematic notions since at least several decades? Realism in the first place appears to be relegated to the museum of pre modern styles and devices safely locked up in the toolbox of 19th Century art history. Secondly, in our cool postmodern times the place for mitment.
